MONTHLY NEWS-SHEET FOR CORTON HOUSE AND BRAKENDON CLOSE

FROM THE HEAD OF CARE

August was a mixed bag of weather, hot days and rain, glorious rain after such a hot spell. We were all glad to cool down and I am sure the farmers were relieved; luckily in Norfolk we escaped the hose pipe ban.

A trip to Duxford took place on the 1st August and a piece about this has been posted on our website. On 17th August we went to Gorleston for lunch at the Pier Hotel and a stroll on the promenade - residents just had to have the obligatory doughnuts even on full stomachs! The sun blessed us yet again and both these events saw integration of tenants and residents and proved to be popular ventures.

The response to the Garden Party, a bi-annual event scheduled for the 24th August to include tenants and relatives of residents, was phenomenal, with 116 acceptances in total. I will report further on this in the next issue but I know we will have a great afternoon whatever the weather brings on the day.

FROM THE SCHEME MANAGER

The extreme temperatures have left most of our tenants struggling this summer! Despite this, they have been very caring of the wildlife who fly in and out of Brakendon Close. Bird baths have been topped up daily which the birds have enjoyed, helping them to keep cool.

Another, not so welcome visitor, has also been taking advantage of this kind gesture, the dreaded wasp! They have been observed regularly taking drinks. The reward for the tenants' efforts? Stings! How ungrateful!

FROM THE ACTIVITIES CO-ORDINATOR

We celebrated Afternoon Tea Week with entertainment by Peter Piper and a delicious traditional afternoon tea hosted by Utility Aid. Two volunteers from Utility Aid came in and decorated our dining room and chatted to residents. It was a lovely afternoon.

We had a great reminiscence session chatting about the seaside with very hot and appropriate weather! A group of residents actually went on a seaside trip to Gorleston, always a popular event.
