

Living in Brakendon Close

All our Brakendon Close residents can lead as independent and private lives as they fancy. Within Brakendon Close we have a number of different housing options including bungalows and flats. Each property benefits from its own front door, kitchen, living room, bedroom and en-suite bathroom.

The Close itself is set back from the road and provides a quiet and secure environment for all our residents. There is ample parking whether that be for your car, mobility scooter or even your bike. However on their doorstep is the fabulous community of like minded people and support services designed to make living their lives more fulfilling.

Tenants at Brakendon Close enjoy the privacy of their own homes, while benefiting from the wider community and support that Corton House and Brakendon Close provide.

The Blake Lounge is the hub of activity for our residents who want to spend time together. This fantastic communal space is a hive of activity where residents meet for a range of activities and events including coffee mornings, scrabble sessions, 'knit and natter' and so much more.

For residents and relatives alike there is peace of mind knowing that at least once a day our Close manager will check in on them. With cover 7 days a week and a 24/7 emergency callout system our residents are in safe hands at all times.

"The companionship is conducive to help in raising the spirit and the ethos is enabled by the attitude and atmosphere provided by the staff."

There are several useful shops and a post office within easy walking distance of the complex. The centre of Norwich is within walking distance for more able tenants. There is a local bus service and a monthly minibus for all tenants.

Guest Room

Our guest room accommodates one or two persons and is available for family of residents or tenants for a maximum of four nights. Prior notice must be given particularly in the busy months such as summer, Christmas and Easter. A charge is made for this facility.
